MyPath

Career planning: inclusion of well and/or higher qualified migrant/minority women into labor market

Co-funded by the
Erasmus+ Programme
of the European Union

2021-DE02-KA220-VET-000030549

About

The Erasmus+ co-funded project MyPath has started its journey on 01.11.2021 and will last till 31.10.2023. The Project Coordinator is QBS Gewerkstatt gGmbH, Germany. The other partners of the consortium are Mindshift Talent Advisory lda (Portugal), BEST Institut für berufsbezogene Weiterbildung und Personaltraining GmbH (Austria), and Bulgarian Fund For Women (Bulgaria).

MyPath focuses on capacity building and empowerment of skilled migrant and ethnic minority women in the VET sector.

Our project aims to diminish the skill shortage of qualified migrant and ethnic minority women in the VET sector without re-skillings and large investments, boost their employability chances and employment rate in their fields of expertise, ensure their sustainable income and socio-cultural and economic integration into hosting countries.
